

Highlands-Massey CLASSIC

Dear Friends and Neighbors,

The Nineteenth Annual Golf Tournament to benefit the VCU MASSEY CANCER CENTER will be held on Thursday, September 19, 2024. Once again, we are asking for your help! You can participate and really make a difference by purchasing a Banner to honor and remember a loved one. **Donate \$25.00** (tax deductible) to have their name placed on an individual sign that will read: *“In Honor of ...”*. The pennant-style signs you purchase will be prominently placed around The Highlands Golf Club the day of the Highlands-Massey Golf Tournament for all to recognize, honor, and remember.

The money raised goes towards research for finding a cure for cancer as well as cancer treatment. We have been very successful in past Highlands-Massey Classic events because of your generosity and involvement and have raised over \$3 million thus far. Please ask your relatives and friends if they too would like to contribute to this worthwhile cause and honor a loved one. Cancer touches all of us in some way, and research is the best path for finding a cure. Thanks for caring and helping.
